California Dollars for Scholars®

2007 Walk for Education

The 5th Annual 5k Walk for Education will be held Saturday, October 27, 2007, at Cal State Dominguez Hills

What: Dollars for Scholars volunteers, students and anyone who believes in increasing access to postsecondary education will gather for a 5k walk around the beautiful Cal State Dominguez Hills campus, and enjoy a College Fair, entertainment and raffle prizes. Dollars for Scholars chapters will keep 100 percent of what they raise for their scholarship programs.

Why: Too many California students are being "locked out" of college by rising costs. One of the best ways to help is by increasing private scholarships. Since 1958, Dollars for Scholars has been doing just that throughout the U.S. by helping to create and support community-based, volunteer-led scholarship groups. In 2006 alone, California Dollars for Scholars volunteers awarded more than \$2 million in scholarships.

When & Where: Saturday, Oct. 27, 2007 in the parking lot near the soccer stadium facing Victoria Street between Avalon and Central on the Cal State Dominguez Hills campus. Times: 9:00 a.m. registration and pre-walk activities, 10:00 a.m. walk start.

How: Make a commitment to walk for education and bring the money you raise for your chapter or for California Dollars for Scholars to the walk on Oct. 27. For more information call 800.335.4504 or e-mail mail@californiadollarsforscholars.org.

Official walk t-shirt awarded to walkers bringing \$25 or more in donations.
