California Dollars for Scholars®

2009 Walk for Education

The 7th Annual California Dollars for Scholars Walk for Education will be Saturday, October 17, 2009 at Loyola Marymount University

What: Dollars for Scholars volunteers, students and anyone who believes in increasing access to postsecondary education will gather for a 5k walk around the beautiful Loyola Marymount University West Los Angeles campus, and enjoy a College Fair, entertainment and raffle prizes. Dollars for Scholars chapters will keep 100 percent of what they raise for their scholarship programs.

Why: Too many California students are being "locked out" of college by rising costs. One of the best ways to help is by increasing private scholarships. Since 1958, Dollars for Scholars has been doing just that throughout the U.S. by helping to create and support community-based, volunteer-led scholarship groups. In 2008 alone, California Dollars for Scholars volunteers awarded more than \$2.4 million in scholarships.

When & Where: Saturday, Oct. 17, 2009 on LMU's Alumni Mall. Times: 8:30 a.m. registration and pre-walk activities; 10 a.m., walk start. Directions: From 405 North, exit Manchester; go left/west on Manchester; turn right at Loyola Drive. Proceed north into campus, park in Lot A. Follow signs to walk site. From 405 South, exit La Tijera; go right/west on La Tijera; turn right onto Manchester, then right at Loyola Drive. Proceed north into campus, park in Lot A. Follow signs to walk site.
